Trinity River Flow Schedule (October 1, 2003 to April 1, 2005)

On April 28, 2004, the Trinity Management Council recommended the following flow schedule for water year 2004 (Oct 1, 2003 to September 30, 2004). Additional flows may occur for other project purposes, such as Safety of Dams releases in February and March 2004.

See following website for the latest scheduled release.
