O R D E R

Before the court is the plaintiffs' motion for an order precluding the defendant and defendant-intervenor Hoopa Valley Tribe from filing additional responses to the plaintiffs' motions to qualify 539 individual plaintiffs under the Manifest Injustice Standard. On October 29, 1986 this court ordered the defendants to file a response for each plaintiff within 30 days after discovery was complete for that plaintiff.

Because the October 29, 1986 order clearly established the procedure for filing responses to the plaintiffs' motions, it is

ORDERED, that the defendants shall not file any further briefs or memoranda covering plaintiffs for whom responses have already been filed. It is

FURTHER ORDERED, that no cross-motions to dismiss shall be filed by the defendants as a part of the responses to the motions to qualify individual plaintiffs.

In the unlikely event that the court does not receive sufficient information as a part of the motions to qualify individual plaintiffs and the responses thereto, the court will ask for additional briefing.
